

September 2022 Dink and Dine Event

Saturday, September 10th, turned out to be a beautiful day for pickleball - no rain! We ended up having 24 players in the Intermediate group (2 pools of 12 players each), and 6 Novice players.

Winners in the Novice group were:

Matthew Elias - GOLD
Cathi Auger - SILVER
Sherri Kramp - BRONZE

For the Intermediate group, we took the top two winners in each pool and had a playoff. Each person played with and against the 3 other players.

In great and very close matches, winners were:

| | |
|-------------------|--------|
| Donna Wiktorowski | GOLD |
| Jaime Rivera | SILVER |
| Jeff Wertz | BRONZE |
| Don DeGross | 4th |

The play was exceptional! If you would like to see a video of the finals, please go to www.goshenpickleball.org and look for the September 2022 Dink and Dine results (at least I'm hoping to get it there).

The Advanced tourney on Sunday, September 11th, didn't fare as well. Rain all day made us cancel it for the first time ever!
